## STAGEWEST HOSPITALITY *fact sheet* *exceptional hospitality & entertainment experiences*

Stagewest is not a typical hospitality & entertainment company. Occasionally accused of being “old school,” we still believe that hospitality means providing warm service and exceptional experiences at affordable prices. We offer an exciting and unique blend of facilities and services including hotels, dinner theatres, casinos, a wide variety of food & beverage, superb amenities, and vacation destinations. We strive to make the personal connections that keep people coming back for more.

Since 1944, Stagewest Hospitality has opened doors to dozens of Hotels, Dinner Theatres, Casinos, a Travel Agency, and a Bank; establishing a longstanding tradition of excellence, integrity, customer focus and commitment to people.

Our mandate is to continue the pursuit of excellence in the acquisition and development of hotel, theatre properties and casinos, with a talented team of family and partners who carry expertise in one or more areas of hospitality, entertainment, gaming, operations and management. Our outstanding reputation for placing properties in the spotlight is the result of a commitment to innovative thinking, hard work, expertise, humility and execution.

## HOTELS

We have been providing our guests with great accommodations since 1944. All our guests enjoy exceptional value without giving up an exceptional experience, featuring our famous first class service, amenities, food & beverage, and entertainment. From the business traveler thousands of miles from home, to a local family looking for a holiday, we welcome all to stay with us. Our goal is to exceed our guest's expectations and provide everyone with a sense of wow and occasion.

## DINNER THEATRES

With two Vegas-style theatres in Mississauga, Ontario and Calgary, Alberta, entertainment is one of the things we do best at Stagewest. As an icon of the Canadian theatre scene, we have produced over 1000 plays since 1977 and staged hundreds of concerts and special events. Stagewest is Canada's most successful Theatre Restaurants company with over 28,000 season ticket holders, and employing more Equity Actors than any other company in Canada. In 2008, Our Executive Producer, Howard Pechet, was inducted into the Guinness Book of World Records as "The Most Prolific Theatre Producer."

## FOOD & BEVERAGE

*Food is our Passion...* No matter if it is a business person traveling alone, a family vacation or a company conference, at the core of every great guest experience is the quality of their experience and their meals. Whether at one of our legendary buffets, warm restaurants, attending a banquet, or enjoying an intimate dinner with a loved one, we strive to make every experience an occasion.

## GAMING

Step inside one of our Casino properties, and things may feel just a little different. That's because we have endeavored to provide our casino guests with an atmosphere that is all about what we do best: Hospitality & Entertainment. We worked closely with Great Canadian Casinos to open the magnificent River Rock resort in Richmond, BC. Our Casinos at The Medicine Hat Lodge, Camrose Resort Casino (opened 2007), and Stoney Nakoda Resort (opened 2008) are all first rate gaming experiences.

## CONFERENCE & BANQUET

Whether it's a big party celebration, or an important business event, our hotels and resorts provide excellent conference and banquet amenities. From a quiet meeting with clients to a conference or corporate retreat, and from birthdays and anniversaries to the wedding the bride has always dreamed of, our award-winning chefs and planning experts will make it happen with first class results.

## WATERPARKS & RECREATION

Our Indoor / Outdoor Water Parks are a huge draw for the family vacationers, the weekend sports teams and the young at heart. We offer special concert productions, camps, relaxing spa services, and much more. From Eco Tours in the majestic Rocky Mountains, to boat tours off Vancouver Island, and from Wine Tours in BC and Ontario, to skiing on world class slopes, we show our guests the best of what our local destinations have to offer.
